# What is ACP?

Be Artistic or adventures and explore the contemporary buildings in practically any city in India, and you're bound to see many examples of a transformational architectural material, although you might not realize it. Aluminum Composite Panels (ACP) have reshaped the skyline, enabling architects to realise their visions which happened to be impractical or quite imposs ible less than 50 years ago.

# **Applications**

- Wall Panelling
- Cladding
- Signage
- Cabinets

- Doors
- Partitions
- Furniture
- Bus Body
